

IN THE COMPETITION APPEAL TRIBUNAL

Case No: As set out in Annex 1 to this Order

BETWEEN:

THE CLAIMANTS IN THE TRUCKS SECOND WAVE PROCEEDINGS

(as set out in Annex 2 to this order)

Claimants

- v -

DEFENDANTS IN THE TRUCKS SECOND WAVE PROCEEDINGS

(as set out in Annex 2 to this order)

Defendants

ORDER

UPON the Tribunal being informed that the Claimants and the First to Fourth Defendants in Case no. 1356/5/7/20 (T) *Balfour Beatty Group Limited and Others v Stellantis NV (formerly Fiat Chrysler Automobiles N.V.) & Others* ('the Balfour Beatty Proceedings') have agreed confidential terms of settlement, including as to costs

AND UPON the parties to this order recognising the guidance of the Tribunal in the Tribunal's *Ruling* on *Umbrella Proceedings Cost Sharing Orders*, [2024] CAT 12 that:

A. The effect of this order is that the Claimants in the Balfour Beatty Proceedings ('the Settling Claimants') cease to have claims against the First to Fourth Defendants in the Balfour Beatty Proceedings ('the Settling Defendants') and therefore the Settling Claimants cease to be parties to the Second Wave Proceedings. To the extent that the Tribunal has any costs jurisdiction over the Settling Claimants and/or the Settling Defendants (as to which this order says nothing), a

costs order against one of them in favour of the other may not be a just exercise of the Tribunal's costs discretion.

- B. Whilst the Settling Defendants (if still parties to the Second Wave Proceedings) would be entitled, as appropriate, to seek costs orders against those claimants in the Second Wave Proceedings who have not settled ('Non-Settling Claimants'), the Tribunal will be reluctant to order such Non-Settling Claimants to pay costs that are attributable to the Settling Claimants.
- C. The Tribunal may, accordingly, reduce the costs recoverable by the Settling Defendants (if still parties to the Second Wave Proceedings) against Non-Settling Claimants by an amount referable to the costs incurred prior to the date of the settlement that would (but for the settlement) have been paid by the Settling Claimants.
- D. Whilst the Settling Claimants (if still parties to the Second Wave Proceedings) would be entitled, as appropriate, to seek costs orders against those defendants in the Second Wave Proceedings who have not settled ('Non-Settling Defendants'), the Tribunal will be reluctant to order such Non-Settling Defendants to pay costs that are attributable to the Settling Defendants.
- E. The Tribunal may, accordingly, reduce the costs recoverable by the Settling Claimants (if still parties to the Second Wave Proceedings) against Non-Settling Defendants by an amount referable to the costs incurred prior to the date of the settlement that would (but for the settlement) have been paid by the Settling Defendants.

AND UPON reading a draft of this order endorsed by the solicitors for the Settling Claimants and the solicitors for the Settling Defendants

BY CONSENT IT IS ORDERED THAT:

- 1. The Claimants' claims against the First to Fourth Defendants in the Balfour Beatty Proceedings be dismissed.
- 2. There be no order as to costs.

The Honourable Mr Justice Ian Huddleston

Chair of the Competition Appeal Tribunal
