**APPEAL TRIBUNAL**

**Case No: 1714/5/7/25 (T)**

**J.C. CAMPBELL (N.I.) LIMITED**

**Claimant**

**– and –**

**DAIMLER AG**

**Defendant**

---

**CONSENT ORDER**

---

**UPON** the parties (respectively, the “**Settling Claimant**” and the “**Settling Defendant**”) in Claim No. 1715/5/7/25 (T) (the “**Proceedings**”) having agreed to the terms of this Order

**AND UPON** the parties to this Order recognising that the guidance of the Tribunal in the Tribunal’s Ruling on Umbrella Proceedings Cost Sharing Orders, [2024] CAT 12:

(1) The effect of the settlement is that the Settling Claimant ceases to have a claim against the Settling Defendant. To the extent that the Tribunal has any costs jurisdiction over the Settling Claimant and/or the Settling Defendant (as to which this order says nothing), a costs order against one of them in favour of the other may not be a just exercise of the Tribunal's costs discretion.

(2) Whilst the Settling Defendant (if still a party to the Second Wave Proceedings) would be entitled, as appropriate, to seek costs orders against those claimants in the Second Wave Proceedings who have not settled (“**Non-Settling Claimants**”), the Tribunal will be reluctant to order such Non-Settling Claimants to pay costs that are attributable to the Settling Claimant.

(3) The Tribunal may, accordingly, reduce the costs recoverable by the Settling Defendant (if still a party to the Second Wave Proceedings) against Non-Settling Claimants by an amount referable to the costs incurred prior to the date of the settlement that would (but for the settlement) have been paid by the Settling Claimant.

(4) Whilst the Settling Claimant (if still a party to the Second Wave Proceedings) would be entitled, as appropriate, to seek costs orders against those defendants in the Second Wave Proceedings who have not settled (“**Non-Settling Defendants**”), the Tribunal will be reluctant

to order such Non-Settling Defendants to pay costs that are attributable to the Settling Defendant.

(5) The Tribunal may, accordingly, reduce the costs recoverable by the Settling Claimant (if still a party to the Second Wave Proceedings) against Non-Settling Defendants by an amount referable to the costs incurred prior to the date of the settlement that would (but for the settlement) have been paid by the Settling Defendant.

**BY CONSENT IT IS ORDERED THAT:**

1. The Proceedings be dismissed.
2. There shall be no order as to costs.
3. This order shall be served by the Settling Claimant on the Settling Defendant.
