CONSENT ORDER

UPON the joint application of the 1st Claimant and the Defendants

AND UPON a confidential settlement having been agreed between the 1st Claimant and the Defendants and those parties having agreed to make an application to dismiss the 1st Claimant's claim against the Defendants in the Proceedings

AND UPON the parties to this Order recognising the guidance of the Tribunal in its Ruling on Umbrella Proceedings Cost Sharing Orders, [2024] CAT 12:

(1) The effect of the settlement is that the Claimant ceases to be a party to those proceedings. To the extent that the Tribunal has any costs jurisdiction over the settling

Claimant (as to which this order says nothing), a costs order against the Claimant in favour of the Defendants may not be a just exercise of the Tribunal's costs discretion.

(2) Whilst the Defendants would be entitled, as appropriate, to seek costs orders against those claimants who have not settled ("**Non-Settling Claimants**"), the Tribunal will be reluctant to order such Non-Settling Claimants to pay costs that are attributable to the settling Claimant.

(3) The Tribunal may, accordingly, reduce the costs recoverable by the Defendants against the Non-Settling Claimants by an amount referable to the costs that would (but for the settlement) have been paid by the Claimant.

BY CONSENT IT IS ORDERED THAT:

1. The 1st Claimant's claim be and is hereby withdrawn.
2. There shall be no order as to costs.
